DESCRIPTION OF THE BOAT

"**ASLAUG**" is a new-built Luxemotor, length 24m, beam 4.85m. Inside she is fitted out in varnished cherrywood and Scandinavian design, whereas her outer look is a close copy of the motor barges which carried goods on the European rivers and canals in the early twentieth century.

"**ASLAUG**" complies with all the newest security regulations of the EU and acts as a first-class cruising "chambres d'hôtes" in various areas of France, Belgium, and the Netherlands. The two Danish captains each has the "Permis Péniche" allowing them to navigate ships up to 38.5m length on inland waterways.

"**ASLAUG**" has two well-insulated cabins with wardrobe, drawers and shelves, each with two single beds (80 cm x 200 cm). Each cabin has a ventilation hatch and opening solid brass portholes with mosquito nets, its own en-suite bathroom with toilet, shower and washbasin. Bed linen (Nordic duvets, ergonomic pillows), towels, bath robes, shower gel, shampoo and hairdryers are supplied. Standing height overall is approx. 2m, there are normal stairs (no steep ladders), and a railing all around the deck. The saloon, the spacious wheelhouse and the two outdoor sun decks are at the disposal of the charterers.

There is free WI-FI on board.
